WOW! Amazing opportunity to own over 100 acres (SNB 46.13 hectares 113.66 acres approx) of wooded land ! Welcome to Vacant Lot Chemin Aldouane River in the Saint-Charles area. That sounds like a great opportunity for someone interested in owning a large parcel of wooded land in the Saint Charles area of Kent County. The fact that the lot has not been harvested for some time and contains mature trees could provide the owner with various options, such as clearing the lot to their own specifications or potentially profiting from the timber. This property is located near Saint Charles village and Kouchibouguac Park. Ideal area for recreational activities like snowmobiling, ATV riding, hunting or built a camp. It could be an appealing investment for someone looking for a natural retreat or development opportunity. (id:24320)
