Pride of ownership is very obvious here. This beautiful bungalow has had numerous upgrades including vinyl windows, steel roof, 2 mini-splits, paved drive and more... The price does not reflect the condition, it's move-in ready. Some may prefer to update the decor however it is in excellent condition. The appliances remain. The house is wired for a generator, which also remains, in case of a power outage. The lot looks as though it was cut out of a city park with huge trees, and beautiful lawn & gardens.
