Welcome home! If you are in the market for a family home in Moncton don't look further, you have found it! Upon arriving you will be greeted by the spacious entrance leading the way either upstairs or the lower level. Lets start with the main floor which features a large living room, a stunning kitchen with backsplash, center Island for extra seating, plenty of cabinets and the dining area with patio doors with access to the back patio overlooking the backyard. The main floor offers 3 bedrooms, with access to the bathroom from the main bedroom. The lower level offers a spacious family room, a games and exercises area, a beautiful office, a full bathroom and a storage and laundry area. From the paved driveway, to the fenced in back yard, to the detached garage and large deck you will find everything you need. Call for more details on this one! (id:24320)
