Welcome to 98 Winter Street, Shediac! This charming bungalow in a peaceful neighbourhood has undergone several renovations. Inside you'll find a bright open concept layout with living area that seamlessly flows into the dining space and kitchen. The main level features two well appointed bedrooms and a beautifully updated bathroom. The basement is mostly unfinished but offers a partially completed family room and third bedroom (non-conforming due to window size). The basement level also features a convenient second entrance through the attached garage. The fenced-in backyard is your ultimate retreat with a relaxing hot tub and gazebo. The home was upgraded in 2021 with new windows and a lifetime metal metal roof. Great location near all amenities and only a few minutes drive to the spectacular beaches Shediac is known for.
