Looking for a CAMP that is close to Moncton!!! This sweet spot is just 30 minutes to Costco!!! Surrounded by nature, excellent Moose and Deer hunting, easy access to ATV and Snowmobile trails, this fully insulated camp will help take the stress of everyday life away!! The camp does not have running water or electricity but it already has a newer drilled well (72 feet) and this camp could easily be set up off grid with solar or with a generator. There is a holding tank (plastic) installed, but it is not hooked up to the camp however, there is an out house set up for convenience (the camp does not have any plumbing installed) The camp is heated with a wood stove and the seller has already installed all of the wiring for electric baseboards. New exterior door and exterior side step. Looking to get back to nature??? Come check this one out !!
