266 Bulman DR, Moncton, New Brunswick,
E1G5P2

Welcome to 266 Bulman Drive! Nestled in the heart of Moncton's sought-after North End, this meticulously maintained 4-bedroom home offers modern comforts for family living. Step inside to discover a spacious dining room adorned with pocket French doors, complemented by a beautiful living room and a richly coloured kitchen boasting ample countertop and cabinet space, along with a convenient two-piece washroom on the main floor. Ascend the staircase, where gleaming hardwood floors lead to three well-sized bedrooms, a four-piece washroom, and a dedicated laundry area on the second floor. Descend from the kitchen to a generously-sized recreational room, an additional bedroom, a mechanical room, and a storage area already plumbed for a future washroom. Outside, the property showcases meticulous landscaping, a testament to the homeowners' green thumb. A long, wide paved driveway leads to a unique two-car garage (24x24) a rare find in this area. The fenced backyard features a storage shed to meet your needs, while recent upgrades include new windows and a roof less than one year old. (id:24320)
