Welcome to your future detached single family home! MOVE IN READY DETACHED RAISED RANCH WITH DETACHED GARAGE in MONCTON NORTH! Conveniently located off Mountain Road in a quiet up and coming neighbourhood, featuring a large garage that isn't an overly common find at this price point. The home had a major renovation a little over 10 years ago allowing for an OPEN CONCEPT DESIGN! Say goodbye to those dated swirly/popcorn ceilings, with the previous owner replacing the ceilings with new drywall. Other previous renos include a breaker panel, a minisplit heat pump, windows, roof & shingles, siding, garage door and more. Current owner has recently painted many areas in the home and installed a garage door opener. Enjoy a meal in your LARGE eat-in kitchen or open the patio doors and sit out on your oversized deck. All three bedrooms are a decent size, with the master bedroom fitting a king sized bed. A non-conforming 4th bedroom in basement will help with your growing family/hobbies! The lower level also adds additional living space with a HUGE family room highlighted by a pellet stove, half bath and laundry room. Quick closing available, call to view today! (id:24320)
