5 Spruce Garden CRT, Riverview, New
Brunswick, E1B4P8

Located on an upscale court, this beautifully upgraded home in Riverview is perfect for a growing family. It boasts a unique layout with plenty of potential and space. As you enter, you'll be greeted by striking open staircases that lead both up and down. The main level features a spacious living room, a formal dining room, and an eat-in kitchen with garden doors that open to a BBQ deck. This level also includes two bedrooms, with the master suite offering a 3-piece ensuite and a large closet. The staircase leads you up to a bonus room that could be use as an extra bedroom or an office! The lower level includes a large family room with a wood stove, an extra bedroom currently serving as an office, a 2-piece bath, a generous lower entry, and a substantial storage space with laundry facilities. The backyard is fully fenced, providing privacy and security. Multiple updates has been made including new roof, new windows & doors, new balcony and much, much more. A full list can be provided! Don't miss this opportunity to make this house your dream home. Call now to book a viewing or for more details. (id:24320)
