MONCTON NORTH/IN GROUND POOL.

This incredible home has everything you would ever want. Upon entering the home you will be greeted with a bright entry way featuring cathedral ceilings leading into the formal dining area and into the spacious study. The main level also includes a living room featuring a propane fireplace, a kitchen and breakfast area, half bath, and a large mud room. Upstairs, you will find a full bath, two good sized bedrooms, and a beautiful master bedroom with an ensuite bathroom and a 14 x 4.5 foot balcony. Downstairs, the basement is perfect for entertaining with a large family room complete with a bar, a non-conforming bedroom, games room, and another full bath. The backyard features a pergola and an in ground pool with a large deck for outdoor entertaining. Recent updates include a new roof in 2020, new windows throughout the main and second levels, exterior doors, central air heat pump, and air exchanger installed in 2016, and updated bathrooms.
