Brunswick, E4H3N2

Welcome to 5312 Route 114, this charming & historic former church is located in Hopewell Hill, New Brunswick overlooking the spectacular marshes of The Shepody Bay. Originally built as a Methodist church in 1865, there was a place of worship on this beautifully situated piece of land until 2018. The current building has been here since 1931, after a disastrous fire destroyed the original building. Prime Minister R.B. Bennett, Canada's 11th Prime Minister who was born in Hopewell in 1870 was also a well known philanthropist who helped finance the rebuilding of the church. It went on to serve as a place of worship in Hopewell Hill for more than another 80 years. The interior of the property is lovely, and has a wonderful and calm energy about it. Highlighted by the original stained-glass windows, the color and life of the space is inspiring. The upstairs space with original pews, seats 100 guests. The downstairs space can seat 40 guests. There is one restroom on the downstairs level. The main level is accessible with a ramp located near the rear entrance. This property is located on the #1 tourist Route in New Brunswick near the Hopewell Rocks. The property could be used as a multipurpose venue that can host any kind of gathering you can imagine:
