Visit REALTOR® website for additional information. Natural light floods the main floor through expansive windows, illuminating the spacious living room featuring an electric fireplace. The open dining area beckons with an eat-up breakfast bar adjoining the modern kitchen, with dark shaker cupboards and new appliances, complemented by a mini split for efficient climate control. Three bedrooms on the main floor each boast ample natural light and spacious layouts. Outside, a partially fenced yard ensures privacy and security, while a single-car garage with a metal roof offers convenience and protection. Descend to the lower-level in-law suite, a second full kitchen appointed with stylish green cabinets and floating cupboards. A laundry room and a full bathroom with a stand-up shower provides practical amenities. Two generous size bedrooms complete this level. This home harmonizes comfort, style, and functionality, ideally suited for families or those seeking additional living space with the versatility of an in-law suite. (id:24320)
