132 Penrose ST, Moncton, New Brunswick,  
E1E4W6

Welcome to this renovated semi-detached...  
better than new construction home.

Welcome to 132 Penrose Street in North  
Moncton. As soon as you pull into the  
double paved driveway of this impeccably  
landscaped home, you'll never want to leave.

As you walk into the open main floor, you'll  
be impressed by the layout and space, and  
immediately cozied in by the woodstove  
yes, we said woodstove! Additionally, the  
two mini split heat pumps ensure efficiency  
and comfort. The kitchen will take your  
breath away with the professionally painted  
cabinets, backsplash and walk-in pantry.

Completing the main floor is a 2-piece  
bathroom and large dining area that leads to  
the amazing screened porch. This outdoor  
room measures 16.5 X 12 and features a  
cathedral ceiling and propane fire table.

Step out into the fenced yard and enjoy  
hanging laundry on the clothesline or  
growing veggies in your garden boxes. Oh,  
and don't miss the outdoor storage in the two  
outbuildings. Back inside you'll find 3  
generously sized bedrooms and a full  
bathroom upstairs. In the basement, you'll  
find a family room with electric fireplace  
and an office (and rough-in for potential  
future bathroom). We don't see homes like  
this very often - from the crown moulding
