GORGEOUS CENTURY HOME IN ONE OF SACKVILLE'S BEST DOWNTOWN LOCATIONS! Just steps to downtown, Mount Allison University, and the Waterfowl Park - this property is surrounded by mature trees and great neighbours. A covered front verandah leads into the foyer with original bannister - and recently professionally refinished hardwood flooring (which goes throughout the main floor). This leads into the spacious bright living room and family room with new wood-insert fireplace and south-facing windows. A formal dining room leads into the large eat-in kitchen which has ample cabinet and counter space, and has a door to the side yard with deck. A mudroom with laundry is located at the back. Tucked under the staircase is an adorable 2pc bathroom. The second floor has a 4pc bathroom, four large bedrooms (three with newer solid hardwood flooring), the fourth bedroom is at the back (also with access from the secondary kitchen staircase) and has two built-in single beds - an ideal kids room, play room, or private office. A garage barn provides storage on the main level and an upstairs loft. A true gem in the downtown core! (id:24320)
