15 Chesley LANE, Sackville, New
Brunswick, E4L1L7

Proudly, I present 15 Chesley Lane, Sackville which is situated on 1.45 manicured acres. Built in 1991, this one owner immaculate split entry home boasts 2800 finished square feet. Up the front stairs from the main entrance, the glistening hard wood floors will lead you to the large living room with a mini split, the dining room, the primary bedroom with double closets and two other bedrooms. A door from the eat-in kitchen leads to the 16 x 12 ft. private back deck. A 4 piece bath completes this floor. Down the stairs to the lower level, 2 more large bedrooms, a 3 piece bath / laundry room, a utility room, the mud room with entrance to the attached garage and also a large Family room are all part of this package. Although the current owners have never used the brick chimney, wood burning or propane could be added to the Family Room. A man door leads to the beautiful back yard from the garage. Upgrades to this home include a 3 year old roof, new doors, paved driveway, a generator Gener Link hook up and a charge station for an electric car. As an added bonus, the back of this property borders the Trans Canada trail and also has a fantastic view of the Tantramar Marshes. Call now for your viewing --- this property will not disappoint.
